

RESOLUTION NUMBER R-281513

ADOPTED ON FEBRUARY 22, 1993

WHEREAS, The City of San Diego as Lead Agency in the project to site and construct the Pomerado Water Reclamation Plant has considered five (5) possible locations as well as a "no-site" alternative; and

WHEREAS, the City Planning Department conducted an initial study DEP No. 91-0833 on the project; and

WHEREAS, draft Environmental Impact Report DEP No. 92-0391 for the sitings was circulated for public review from the period September 2 through October 31, 1992 and a public meeting held on September 30, 1992; and

WHEREAS, the Council of The City of San Diego considered the issues discussed in EIR DEP No. 92-0391; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that it is hereby certified that Environmental Impact Report DEP No. 92-0391, on file in the office of the City Clerk, has been completed in compliance with the California Environmental Quality Act of 1970 (California Public Resources Code section 21000 et seq.), as amended, and the State guidelines thereto (California Code of Regulations section 15000 et seq.); that the report reflects the independent judgment of The City of San Diego as Lead Agency; and that the information contained in the report, together with any comments received during the public review process, has been reviewed and considered by the Council in connection with the siting of the Pomerado Water Reclamation Plant.

BE IT FURTHER RESOLVED, that the environmentally and technically preferred alternative of incorporating Pomerado area flows at the North City Water Reclamation Plant is hereby recommended.

BE IT FURTHER RESOLVED, that the references to the location of the influent pump station (referenced generally at Executive Summary E-2 and specifically in subsequent chapters) are hereby revised in that no location for any such pump station has been finalized and such a siting requires further action of this Council. In accordance with Public Resources Code section 21092.1, the Council finds that this revision does not constitute "significant new information" and hence does not require recirculation or renotification. A copy of this resolution shall be filed with Environmental Impact Report DEP No. 92-0391 and shall be made available to any member of the public upon request.

BE IT FURTHER RESOLVED, that the City Manager, in consultation with the City Attorney, is hereby directed to explore and propose options for the preservation of the Pomerado Wastewater Treatment Plant site for public use and enjoyment as open space and to review said options with the City of Poway, the owner of the site.

APPROVED: JOHN W. WITT, City Attorney
