ITEM-333

R-282965 thru R-282967 - Appeal of Denis Lougeay from decision of Planning Commission - TM/CVPDDP/ROP-90-0136. Wrote attorney for resos.

Per Pat Vaughn on 4-11-94, she can't complete this item because there's an outstanding fee on it.

Per Pat Vaughn on 5-20-94, there's still an outstanding fee on this item.

Per Pat Vaughn on 7-19-94 she hasn't heard anything on this item.

Per Pat Vaughn on 9-8-94 her contact person told her that until the outstanding fee is paid he will not be sending her anything so not to call him again.

Per Pat Vaughn on 10-21-94 she said this permit isn't being worked on at this time.

Per Pat Vaughn on 2-9-95, after she received a memo from Valderhaug on the status of this item, she sent a letter to John Fisher on 11-14-94. Fisher called Lougeay regarding the fee. To this date Lougeay still has not paid the fee.

Left voice message for Pat on 4-4-95. Per Pat Vaughn on 4-5-95, she hasn't heard anymore on this item. She hasn't called because her contact person told her not to call him again until the outstanding fee is paid.

Per Pat Vaughn on 9-27-95, John Fisher informed her that Mr. Lougeay has not responded to any of the letters that they have sent. Apparently, in the last letter they sent they apologized for an error made that had to do with his fee and that he owes less than what was stated to him before. He hasn't even responded to that letter and now they are fearing that he may take the City to Court, so they do not want to send anymore letters.
