CITY OF SAN DIEGO MEMORANDUM

DATE:

July 18, 1994

TO:

Honorable Mayor and City Council

FROM:

Rich Snapper, Personnel Director

SUBJECT:

Exemption of Assistant to the Environmental Services Director from

_ the Classified Service

On July 14, 1994, the Civil Service Commission reviewed a request from the Environmental Services Director to exempt an Assistant to the Environmental Services Director position from the Classified Service.

Charter Section 117 states that the Unclassified Service shall include "managerial employees having significant responsibilities for formulating and administering department policies and programs. Each such position shall be exempt from the Classified Service by ordinance, upon the initiation of the appropriate appointing authority and after receiving the advisory review and comment of the Civil Service Commission and the approval of the City Council."

After reviewing the duties of this position, which is an offshoot of a Councilapproved reorganization of the former Waste Management Department, the Commission finds that it meets the intent of Charter Section 117. Its proposed duties are comparable to those of other positions which have been exempted from the Classified Service. It is, therefore, recommended that the request of the Environmental Services Director be approved.

If additional information would be of assistance in your consideration of this matter, staff is available to respond with details as necessary.

CITY OF SAN DIEGO MEMORANDUM

DATE:

September 3, 1993

TO:

Honorable Mayor and Council

FROM:

Rich Snapper, Personnel Director

SUBJECT:

Exemption of a New Deputy Director Position from the Classified

Service

On September 2, 1993, the Civil Service Commission reviewed a request from the City Treasurer to exempt a new Deputy Director position from the Classified Service. This position will oversee the recently formed Parking Management Division in the City Treasurer's Office. It will be responsible for enforcing state and local parking regulations, processing and collecting parking citations, and the administrative adjudication of contested citations. In planning and directing Division operations, this position will formulate and administer departmental policies and coordinate activities with outside regulatory and legal entities such as the California Department of Motor Vehicles and the San Diego Municipal Court.

Charter Section 117 states that the Unclassified Service shall include "Managerial employees having significant responsibilities for formulating and administering department policies and programs. Each such position shall be exempted from the Classified Service by ordinance, upon the initiation of the appropriate appointing authority and after receiving the advisory review and comment of the Civil Service Commission and the approval of the City Council."

Upon review of the duties and responsibilities of this position, the Commission finds that it meets the intent of Charter Section 117. If additional information would be of assistance in your consideration of this matter, staff is available to respond with details as necessary.
