

RESOLUTION NUMBER R-283725

ADOPTED ON APRIL 18, 1994

WHEREAS, Mr. Steven M. Skinner appealed the decision of the Park and Recreation Department denying his request for a permit to solicit photography services at City beaches; and

WHEREAS, this matter was set for public hearing before the City Council per San Diego Municipal Code section 63.0103(i) on April 21, 1994, testimony having been heard, evidence having been submitted, and the Council having fully considered the matter and being fully advised regarding the same; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the Council hereby finds that:

1. The proposed permit by Mr. Skinner would be detrimental to the health, safety, comfort, and general welfare of persons residing, working, or utilizing recreational opportunities in the beach areas and would adversely affect other property in the vicinity.

2. The proposed permit will not comply with San Diego Municipal Code section 63.0102 prohibiting solicitation on beaches.

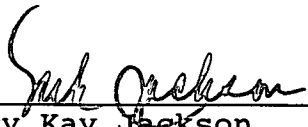

3. The above findings are supported by the minutes, maps and exhibits in this appeal, all of which are herein incorporated by reference.

BE IT FURTHER RESOLVED, that the appeal of Steven M. Skinner of the denial of a solicitation permit for a photography business on public beaches, is hereby denied.

BE IT FURTHER RESOLVED, that the City's Public Facilities and Recreation Committee is hereby directed to review the question of solicitation permits on beaches and public areas and to consider a possible revision of San Diego Municipal Code section 63.0103(i) regarding the appellate process.
