

RESOLUTION NUMBER R- 283829

ADOPTED ON MAY 09 1994

BE IT RESOLVED, by the Council of The City of San Diego, that it is hereby certified that Mitigated Negative Declaration No. 87-0914, on file in the office of the City Clerk, has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and the State guidelines thereto (California Code of Regulations section 15000 et seq.), that the Declaration reflects the independent judgment of The City of San Diego as Lead Agency and that the information contained in said report, together with any comments received during the public review process, has been reviewed and considered by this Council in connection with the approval of the acquisition of property located northwest of the intersection of Ward Road and Camino del Rio North, for the North Mission Valley Interceptor Sewer.

BE IT FURTHER RESOLVED, that the Council finds that project revisions now mitigate potentially significant effects on the environment previously identified in the Initial Study and, therefore, that said Mitigated Negative Declaration is hereby approved.
