

RESOLUTION NUMBER R- 283843

ADOPTED ON MAY 09 1994

RESOLUTION DESIGNATING WATER ACTIVITY
ZONE BOUNDARIES

BE IT RESOLVED, by the Council of The City of San Diego, that, pursuant to Section 63.20.2(b) of the San Diego Municipal Code, the boundaries of the activity zones are designated as follows:

1. SWIMMING ZONE

a. The waters of the beach area between the westerly extension of the southern line of Santa Monica Avenue and the westerly extension of the southern line of Cape May Avenue.

b. The waters of the beach area between the westerly extension of the northern line of San Gabriel Place and the westerly extension of the northern line of Ventura Street.

c. The waters of the beach area between the westerly extension of the southern side of Oliver Street, and the westerly extension of a line 75 feet south of the southern side of Garnet Avenue.

d. The waters of that area known as Children's Pool and being on the inside of the breakwater established at said point. This swimming area terminates at the end of the breakwater.

e. The waters that are known and designated as La Jolla Cove.

f. The waters of the beach area between the westerly extension of a line 125 feet north of the southern side of

Avenida de la Playa and the westerly extension of the northern side of the La Jolla Shores lifeguard station.

2. SWIMMING ZONE - SEASONAL (Effective from the second Saturday in June through the first Sunday after Labor Day only)

a. The waters of the beach area between the westerly extension of the southern side of Santa Clara Place and the westerly extension of the northern side of Tangiers Court.

b. The waters of the beach area between the westerly extension of the southern side of Missouri Street, and the westerly extension of the southern side of Law Street.

c. The waters of the beach area between the westerly extension of the southern side of Palomar Street and the westerly extension of the northern side of Playa del Norte Street.

3. BOARD SURFING ZONE

a. The waters of the beach area between the westerly extension of a line 75 feet south of the southern side of Niagra Street and the westerly extension of the southern side of Santa Monica Avenue.

b. The waters of the beach area between the westerly extension of the southern San Diego flood control jetty and the westerly extension of the southern Mission Bay channel jetty.

c. The waters of the beach area between the westerly extension of the northern Mission Bay channel jetty and the westerly extension of a line 200 feet north of the South Mission Beach lifeguard station.

d. The waters of the beach area between the westerly extension of the northern side of Ventura Street and the westerly

extension of the southern side of Jersey Court.

e. The waters of the beach area between the westerly extension of the northern side of San Juan Place and the westerly extension of the southern side of Santa Clara Place.

f. The waters of the beach area between the westerly extension of the northern side of Windermere Court and the westerly extension of the southern side of Oliver Street.

g. The waters of the beach area between the westerly extension of a line 75 feet north of the northern side of Crystal Pier and the westerly extension of the southern side of Missouri Street.

h. The waters of the beach area between the westerly extension of the southern side of Law Street, and the westerly extension of the northern boundary of Tourmaline Canyon Surfing Park referred to as Sungold Point.

i. The waters of the beach area between the westerly extension of the northern side of Play del Norte Street and westerly extension of the northern side of Nautilus Avenue.

j. The waters of the beach area between the westerly extension of the northern side of the north public restroom building at La Jolla Shores and the westerly extension of the southern property line of Scripps Institute of Oceanography UCSD.

4. CONTROL ZONE

a. The waters of the beach area between the westerly extension of the northern side of Cape May Avenue and the westerly extension of the southern San Diego flood control jetty.

b. The waters of the beach area between the westerly

extension of a line 200 feet north of the South Mission Beach lifeguard station and the westerly extension of the southern side of San Gabriel Place.

c. The waters of the beach area between the westerly extension of the southern side of Jersey Court and the westerly extension of the northern side of San Juan Place.

d. The waters of the beach area between the westerly extension of the northern side of Tangiers Court and the westerly extension of the southern side of Windermere Court.

e. The waters of the beach area between the westerly extension of the northern side of Nautilus Avenue and the westerly extension of the northern side of Westbourne Avenue.

f. The waters of the beach area between the westerly extension of the north side of the La Jolla Shores Lifeguard Station and the westerly extension of the north side of the north public restroom building at La Jolla Shores.

5. NO BOARD SURFING ZONE

The waters of the beach area between Children's Pool and Goldfish Point, excepting therefrom the waters of La Jolla Cove, which are a SWIMMING ZONE.

6. BOAT LAUNCH ZONE

The waters of the beach area and the beach area between the westerly extension of the southern side of Avenida de la Playa and the westerly extension of a line 125 feet north of the southern side of Avenida de la Playa.
