RESOLUTION NUMBER R- 283852

ADOPTED ON MAY 09 1994

WHEREAS, Dr. Robert L. Reeves, a renowned educator who has been Superintendent of the Poway Unified School District for nineteen years, has brought great distinction to himself and to the community through his foresight and dedication; and

WHEREAS, under Dr. Reeves' guidance and vision, the Poway Unified School District, which educates more than 26,000 students a year, has created a "culture of excellence," gaining national attention for its award-winning schools, 13 of which have been built under his tenure; and

WHEREAS, Dr. Reeves has placed great emphasis on technology in the schools, the Poway Unified School District is on the leading edge of the Technological Age, producing well-trained students able to excel in college and to successfully compete in the ever-changing market place; and

WHEREAS, Dr. Reeves has stressed the importance of the Adopt-A-School/Partners in Education Program bringing the community and the schools closer together, creating a bond between business/industry and the student; and

WHEREAS, Dr. Reeves has improved communication between the Poway Unified School District and the collective bargaining units resulting in the development of a trust agreement and greater cooperation among the District's 2,500 employees who work at 25 different locations; and

WHEREAS, Dr. Reeves has implemented a "Strategic Planning Mission Statement," "Core Values and Goals," displaying great expertise in organizational development and the change process; and

WHEREAS, in an age of increased enrollment and declining revenues, Dr. Reeves has worked hard to find new funding sources and successfully lobbied for the Poway Unified School District's Mello-Roos boundary which was established in 1978; and

WHEREAS, Dr. Reeves is always open to new ideas, bringing in divergent opinions, and the District continues to move forward, meeting the challenges of the future with a deep commitment to "Excellence in All We Do"; and

WHEREAS, Dr. Reeves, who has served on the California State Commission on Teaching Credentialing and was named "County Superintendent of 1994," has received numerous other honors; including recognition by the California Media and Library Association, the ACSA Superintendent's award for Distinguished Service to Vocational Education; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that May 11, 1994 be and is hereby proclaimed to be "**DR. ROBERT L. REEVES DAY**" in San Diego for his outstanding service and leadership provided to the youth of San Diego.
