

RESOLUTION NO. R-284758

ADOPTED ON OCTOBER 10, 1994

WHEREAS, Administrative Regulation 95.25, "Processing New and Revised Fees and Charges for Current Services," requires that departments annual analyze services provided to determine if new fees are appropriate and if current fees reasonably recover the cost of providing services; and

WHEREAS, during the annual review of Park and Recreation Department fees, it was determined that one (1) new fee and five (5) revised fees were appropriate, and on June 22, 1994, it was recommended by the Public Facilities and Recreation Committee that one (1) additional new fee category be included; and

WHEREAS, revised fees for the Balboa Park and Torrey Pines Golf Courses were approved by the City Council on May 9, 1994, and those revised fees are not part of this review process; and

WHEREAS, as part of the review process outlined in Administrative Regulation 95.25, City Council review allows for public input regarding the establishment of new or significantly revised fees, and after such public input the Council determined that the recommended fees should be adopted, with the exception of the revised swimming pool rental fee, which is established at \$20 per year; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the Council hereby approves for inclusion in the revised Park and Recreation Department's Fee Schedule, one (1) new fee

pursuant to the recommendation of the Public Facilities and Recreation Committee on June 22, 1994, and one (1) new fee and four (4) significantly revised fees, as set forth in Manager's Report No. 94-175.
