BE IT ORDAINED, by the Council of The City of San Diego, as
follows:

Section 1. That the purposes and intent of the Council with
respect to the Marina Sub Area of the Project include (without
limitation) the following:

A. Create a new residential community oriented to San
Diego Bay and the Horton Plaza Redevelopment Project where a
full range of activities and uses will take place and where
a living and working environment exists for the use and
enjoyment of all San Diegans;

B. Provide an environment where a socially balanced
community can work and live by providing jobs and housing
for persons of varying social, economic and ethnic groups.

C. Eliminate blighting influences, including
incompatible and obnoxious land uses, obsolete structure,
and congested streets;

D. Eliminate environmental deficiencies, including among others, small and irregular lot and block subdivision, economic and social deficiencies and inadequate utilization of land and public facilities.

Section 2. The First Amendment to the Redevelopment Plan for the Project having been duly reviewed and considered, is hereby adopted and approved, and the City Clerk is hereby directed to file said copy of the First Amendment to the Redevelopment Plan with the minutes of this meeting. Said First Amendment to the Redevelopment Plan, a copy of which is on file in the office of the City Clerk as Document No. 00-18145, is incorporated herein by reference and made a part hereof as if fully set out herein.

Section 3. Ordinance No. O-17767 (New Series) and the Redevelopment Plan adopted pursuant thereto as the official Redevelopment Plan for the Centre City Redevelopment Project, are hereby amended as set forth in the First Amendment to the Redevelopment Plan, so that the Redevelopment Plan adopted by Ordinance No. O-17767 (New Series), as amended by the First Amendment, is hereby designated as the official redevelopment plan for the Project area.

Section 4. All written and oral objections to the First Amendment to the Redevelopment Plan are hereby overruled.

Section 5. The Council hereby finds and determines that:

A. The Project area was and is a blighted area, the redevelopment of which was and is necessary to effectuate

the public purposes declared in the California Community Redevelopment Law.

B. The Redevelopment Plan, as amended, will redevelop the Project area in conformity with the California Community Redevelopment Law in the interest of the public peace, health, safety, and welfare.

C. The adoption and carrying out of the Redevelopment Plan, as amended, is economically sound and feasible.

D. The Redevelopment Plan, as amended, conforms to the General Plan of The City of San Diego, including, but not limited to, the City's housing element, which substantially complies with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division 1 of Title 7 of the Government Code.

E. The carrying out of the Redevelopment Plan, as amended, will promote the public peace, health, safety and welfare of the City of San Diego and will effectuate the purposes and policies of the California Community Redevelopment Law.

F. The condemnation of real property as provided for in the Redevelopment Plan, as amended, is necessary to the execution of the Redevelopment Plan, as amended, and adequate provisions have been made for payment for property to be acquired as provided by law.

G. In the event any families and persons residing within the Project area are displaced by redevelopment activities:

1. The Agency has a feasible method and plan for the relocation of families and persons to be temporarily or permanently displaced from housing facilities in the Project area.

2. There will be provided in the entire Project area or in other areas not generally less desirable in regard to public utilities and public and commercial facilities and at rents or prices within the financial means of the families and persons displaced from the Project area, decent, safe, and sanitary dwellings equal in number to the number of and available to such displaced families and persons and reasonably accessible to their place of employment.

3. Families and persons shall not be displaced prior to the adoption of a relocation plan pursuant to Sections 33411 and 33411.1 of the California Community Redevelopment Law, and dwelling units housing persons and families of low or moderate income shall not be removed or destroyed prior to the adoption of a replacement housing plan pursuant to Sections 33334.5, 33413 and 33413.5 of the California Community Redevelopment Law.

H. Inclusion within the Project area of any lands, buildings, or improvements which are not detrimental to the public health, safety, or welfare is necessary for the effective redevelopment of the Project area; any such area included is necessary for effective redevelopment and is not

included for the purpose of obtaining the allocation of tax increment revenues from such area pursuant to Section 33670 of the Community Redevelopment Law without other substantial justification for its inclusion.

I. The elimination of blight and the redevelopment of the Project area cannot be reasonably expected to be accomplished by private enterprise acting alone without the aid and assistance of the Agency.

J. The Project area is predominately urbanized, as defined by subdivision (b) of Section 33320.1 of the California Community Redevelopment Law.

K. The time limitation and the limitation on the number of dollars to be allocated to the Agency that are contained in the Redevelopment Plan, as amended, are reasonably related to the proposed projects to be implemented in the Project area and to the ability of the Agency to eliminate blight within the Project area.

Section 6. In order to implement and facilitate the effectuation of the Redevelopment Plan, as amended, it is found and determined that certain official action must be taken by the Council with reference, among other things, to changes in zoning, the vacating and removal of streets, alleys and other public ways, the establishment of street patterns, the location and relocation of sewer and water mains and other public facilities, and other public actions, and accordingly the Council hereby:

A. Pledges its cooperation in helping to carry out the Redevelopment Plan, as amended; and

B. Requests the various officials, departments, boards and agencies in the locality having administrative responsibilities in the Project area likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with the Redevelopment Plan, as amended, including the expenditures of money in accordance with the provisions of the Redevelopment Plan, as amended, to effectuate the Redevelopment Plan, as amended; and

C. Stands ready to take appropriate action upon proposals and measures designed to effectuate the Redevelopment Plan, as amended, and declares its intention to undertake and complete any proceedings necessary to be carried out by the community under the provisions of the Redevelopment Plan, as amended.

Section 7. This Council is satisfied permanent housing facilities will be available within three (3) years from the time occupants of the Project area are displaced and that pending the development of such facilities there will be available to such displaced occupants adequate temporary housing facilities at rents comparable to those in the City of San Diego at the time of their displacement.

Section 8. Ordinance No. O-17767 (New Series) shall remain in full force and effect except to the extent it is changed by this amending ordinance.

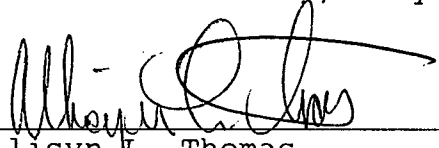

Section 9. The City Clerk is hereby directed to send a certified copy of this ordinance to the Agency and the Agency is

hereby vested with the responsibility for carrying out the
Redevelopment Plan, as amended, subject to the provisions of the
Redevelopment Plan, as amended.

Section 10. The City Clerk hereby is directed to record
with the County Recorder of San Diego County, a description of
the land within the Project area and a statement that proceedings
for the redevelopment of the Project area have been instituted
under the California Community Redevelopment Law. The Agency
hereby is directed to effectuate recordation in compliance with
the provisions of Section 27295 of the Government Code to the
extent applicable.

Section 11. This ordinance shall be in full force and
effect on the ninetieth (90th) day from and after its passage.
