

RESOLUTION NUMBER R- 285697

ADOPTED ON MAY 02 1995

BE IT RESOLVED, by the Council of The City of San Diego, that it is hereby certified that Negative Declaration No. 94-0667 on file in the office of the City Clerk, has been completed in compliance with the California Environmental Quality Act of 1970 (California Public Resources Code section 21000 et seq.), as amended, and the State guidelines thereto (California Code of Regulations section 15000 et seq.), that the declaration reflects the independent judgment of The City of San Diego as Lead Agency and that the information contained in the report, together with any comments received during the public review process, has been reviewed and considered by this Council in connection with the approval of the widening of Black Mountain Road.

BE IT FURTHER RESOLVED, that the Council finds that project revisions now mitigate potentially significant effects on the environment previously identified in the Initial Study and, therefore, that said Negative Declaration, a copy of which is on file with the City Clerk, is hereby approved.
