

RESOLUTION NUMBER R- 286294

ADOPTED ON SEP 11 1995

WHEREAS, funds are available to the City under California State Library's Library Services and Construction Act Title I Grant for the upgrading of library computer equipment; and

WHEREAS, the funds would be used by the Library Department to provide access to the Internet at the Logan Heights and the Linda Vista branch libraries; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the City Manager or his duly designated representative is authorized to apply for, accept, and administer grant funds from the California State Library's Library Services and Construction Act to purchase equipment that will allow graphical access to the Internet by upgrading the current system at the Logan Heights and the Linda Vista branch libraries.

APPROVED: JOHN W. WITT, City Attorney
