

RESOLUTION NUMBER R- 287048

ADOPTED ON MAR 18 1996

WHEREAS, on August 16, 1995, the Public Services and Neighborhood Safety Committee initiated the North Park Defensible Space Pilot Program development; and

WHEREAS, a partnership was formed with the participation of neighborhood residents, owners, businesses, other local agencies, and City departments to develop the North Park Defensible Space Pilot Program; and

WHEREAS, the partnership held a public workshop, and bi-weekly working sessions in the neighborhood to receive community input, identify and prioritize issues, and develop ideas for solutions; and

WHEREAS, the North Park Defensible Space Pilot Program is consistent with and implements existing City policy established by the City's Progress Guide and General Plan, the Greater North Park Community Plan, and the Mid-City Communities Planned District Ordinance; and

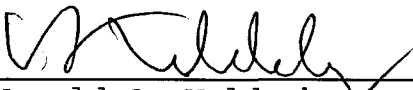

WHEREAS, the North Park community members of the partnership included representatives from the North Park Community Association, University Avenue Business Improvement District, and the Greater North Park Community Planning group who endorsed the program; and

WHEREAS, on February 7, 1996, the Public Services and Neighborhood Safety Committee unanimously approved the North Park

Defensible Space Pilot Program and recommended its approval to the City Council; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the North Park Defensible Space Pilot Program, a copy of which Program is on file in the office of the City Clerk as Document No. RR- 287048, is hereby adopted.
