

RESOLUTION NUMBER R-287071

ADOPTED ON MARCH 19, 1996

WHEREAS, John Kern, California Communications Council, appealed the decision of the Planning Commission in approving Conditional Use Permit No. 95-0350-39 submitted by COLUMBIA COURT HOMEOWNER'S ASSOCIATION, Owner, and PACIFIC BELL MOBILE SERVICES, Permittee, to construct and operate a wireless communication facility (Personal Communication System [PCS]) on the site of an existing multi-unit residential structure, which includes six (6) rooftop antennas and two (2) equipment cabinets, located at 3217 Columbia Street, San Diego California, legally described as Lot 1 of Columbia Heights, in the Mid-City Community Plan area, in the MR-1500 zone; and

WHEREAS, the matter was set for public hearing on March 19, 1996, testimony having been heard, evidence having been submitted, and the City Council (the "Council") having fully considered the matter and being fully advised concerning the same; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this Council adopts the following findings with respect to Conditional Use Permit No. 95-0350-39:

1. The proposed use will fulfill an individual and/or community need and will not adversely affect the City's Progress Guide and General Plan or the adopted community plan.

The proposed facility will provide improved wireless communication services to subscribing residents of, and visitors

to, the immediate area. The property is within the MR-1,500 (Multi-unit residential) Zone. The proposed facility is consistent with the purpose and intent of this residential zone designation.

2. The proposed use, because of conditions that have been applied to it, will not be detrimental to the health, safety and general welfare of persons residing or working in the area and will not adversely affect other property in the vicinity.

Radio frequency energy transmission from the proposed antenna system would not result in significant health or safety risks to the surrounding area. The transmissions would produce an exposure level well below the standards established by the American National Standards Institute and the National Council on Radiation Protection.

3. The proposed used will comply with the relevant regulations in the Municipal Code in effect for this site.

The proposed facility complies with the relevant regulations in the Municipal Code. Permission to operate the facility will be granted for a period of ten (10) years, at which time the permit will become null and void.

The above findings are supported by the minutes, maps and exhibits, all of which are herein incorporated by reference.

BE IT FURTHER RESOLVED, that the appeal of John Kern, California Communications Council, is denied; the decision of the Planning Commission is sustained, and Conditional Use Permit No. 95-0350-39 is hereby granted to COLUMBIA COURT HOMEOWNER'S ASSOCIATION, Owner and PACIFIC BELL MOBILE SERVICES, Permittee,

under the terms and conditions set forth in the permit attached hereto and made a part hereof.
