BE IT RESOLVED, by the Council of The City of San Diego, that it is hereby certified that Negative Declarations DEP No. 96-0071 and DEP No. 96-0072, on file in the office of the City Clerk, have been completed in compliance with the California Environmental Quality Act of 1970 (California Public Resources Code section 21000 et seq.), as amended, and the State guidelines thereto (California Code of Regulations section 15000 et seq.); that the declarations reflect the independent judgment of The City of San Diego as Lead Agency; and that the information in said declarations, together with any comments received during the public review process, have been reviewed and considered by this Council prior to approval of the Miramar Cogeneration and Landfill Gas Privatization Project.
