RE: Spousal Abuser Prosecution Program  
Grant Funding FY 95/96

Dear Mr. Ramsey:

Pursuant to your conversation with Carol Coffey, enclosed are the materials needed to apply for the Spousal Abuser Prosecution Program Grant Funding for FY 95/96. Please complete the following:

- 1) Complete a new Grant Award form. Complete and sign five originals and return them in the enclosed envelope. Upon approval of your proposal, I will sign on behalf of the Department of Justice and return one copy to you for your files.
- 2) Complete the enclosed Budget Category and Line-Item Detail summary. Round to the nearest dollar. The information on this form will be used by the Accounting Department to process invoices for reimbursement.
- 3) ~~Submit a city resolution~~ authorizing the DOJ grant for the 95/96 fiscal year. The grant should contain a certification that the city will not use the DOJ grant to supplant local expenditures and agree to hold the Department of Justice harmless from any claims that arise from the use of the grant monies.
- 4) Use the enclosed Project Claim Invoice to request reimbursements. This form may be used for either year one or year two reimbursement requests. State grant funds on the invoice must match State grant funds on the Budget Category and Line Item-Detail or most recent approved budget modification.
- 5) Use the enclosed Budget Modification form to make any changes necessary to your budget during the year, including

personnel changes. Project Claim invoices will not be paid by the Accounting Department unless they conform to the approved budget submitted on the Budget Summary or as changed by a Budget Modification. Attach a resume or statement of qualifications to all budget modifications that request review of personnel changes.

6) Continue to submit progress reports quarterly.

7) No additional monies for year two (95/96) will be approved until at least 80 percent of first year funds are invoiced by you. First year expenditures must be incurred prior to December 31, 1995. Monies encumbered prior to December 31, 1995 will be paid consistent with the grant guidelines issued to you in October, 1994. Expenditures incurred or encumbered after December 31, 1995, will be charged to year two funding, regardless of the balance remaining in your first year account, thereby reducing the funds available to you in year two.

Enclosed for you information is a copy of a letter I recently sent to the Office of Criminal Justice Planning urging them to use federal funds as available under the Violence Against Women Act to increase funding for the domestic violence units you have in operation. We have not yet heard from OCJP regarding the use of the VAWA funds, but I will provide information to you as soon as I hear anything.

Keep up the good work. It is a pleasure to work with you again this year. As usual, call Carol Coffey, 916-324-5459, if you have questions or need further assistance.

Sincerely,

DANIEL E. LUNGREN  
Attorney General
