

RESOLUTION NUMBER R- 287237

ADOPTED ON APR 22 1996

WHEREAS, a resident of Petra Place has requested that angle parking in the bulb of the Petra Place cul-de-sac in front of 3401, 3411 and 3412 Petra Place be authorized; and

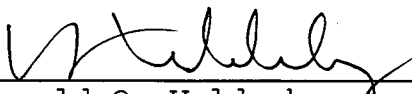

WHEREAS, the City Manager has recommended against the approval of such angle parking on the basis that such angle parking does not allow adequate space for forward moving vehicles negotiating the cul-de-sac; and

WHEREAS, the City Council has held a public hearing where testimony was presented to the effect that angle parking in the cul-de-sac has in fact been occurring over a period of many years with little or no known problem arising from such angle parking; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the City Manager is hereby directed to take any action necessary to formally allow angle parking in the subject cul-de-sac.

BE IT FURTHER RESOLVED, that this action by the Council shall not be considered "precedent setting," and that this action does not authorize angle parking in other cul-de-sacs in the City.
