

RESOLUTION NUMBER R- 287637

ADOPTED ON JUL 15 1996

WHEREAS, Administrative Regulation 95.25, "Processing New and Revised Fees and Charges for Current Services," requires that City departments annually analyze services provided to determine if new fees are appropriate and if current fees reasonably recover the cost of providing services; and

WHEREAS, during such annual review, the Park & Recreation Department determined that two new fees and one significantly revised fee were appropriate; and

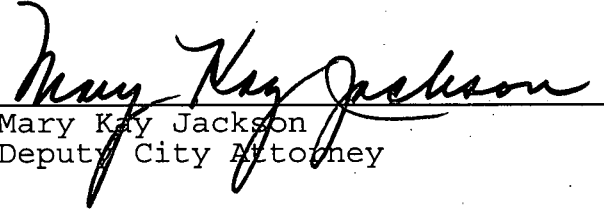

WHEREAS, it is anticipated that these fee changes will result in additional revenue to the General Fund of \$59,105; and

WHEREAS, none of these fees are expected to negatively impact the business community; NOW, THEREFORE

BE IT RESOLVED, by the Council of The City of San Diego, that the Council hereby approves for inclusion in the Park & Recreation Department's Fee Schedule, one new fee for day camp services, one new fee for non-resident use of day camp services, and one revised fee for park use permit applications, as set forth in City Manager Report No. 96-126.
