

(R-97-528)

RESOLUTION NUMBER R- 288315

ADOPTED ON FEB 10 1997

WHEREAS, the Library is expanding its role in maximizing public access to information via new technologies, and providing cable to Library patrons will facilitate increased services as its larger bandwidth allows for greater speed, more data transmissions, including voice and graphic capabilities and expanded access to worldwide resources; and

WHEREAS, Cox Communications has provided courtesy cable connections to 17 libraries, including the Central Library, in their franchise service area which in some cases includes Cox's donation of construction services to complete this project; and

WHEREAS, it is estimated that this donation totals more than \$16,000 to the San Diego Public Library; and

WHEREAS, Cox Communications' generous support and donation will improve the Library's ability to expand information service delivery and allow it to remain in the vanguard of the new technological revolution; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this Council hereby acknowledges and accepts the generous donation of Cox Communications and thanks and commends them for their contribution.
