

(R-97-991)

RESOLUTION NUMBER R- 288516

ADOPTED ON APR 07 1997

WHEREAS, immunization is an essential and cost-effective primary prevention activity, and widespread use has had a dramatic effect in the reduction of childhood morbidity and premature mortality; and

WHEREAS, one out of every four children under two-years old is not fully immunized; and

WHEREAS, the nation's goal is to immunize ninety percent of all two-year-olds by the year 2000; and

WHEREAS, private and public health care providers in San Diego have joined together to integrate existing and new resources into an organized county-wide system designed to improve the delivery of immunizations to preschool children in San Diego County; and

WHEREAS, the ongoing collaborative spirit of private and public health care providers was integral in the selection of San Diego County as one of four pilot programs throughout the nation; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this Council hereby proclaims April 7, 1997 to be **"PARTNERSHIP OF IMMUNIZATION PROVIDERS' DAY"** in The City of San Diego.
