

RESOLUTION NUMBER R- 288842

ADOPTED ON JUN 30 1997

A RESOLUTION AUTHORIZING APPLICATION TO THE
NATIONAL HISTORIC PRESERVATION FUND SUBGRANT
PROGRAM.

WHEREAS, the United States Congress, under Public Law 89-665, has authorized the establishment of the National Historic Preservation Grants-in-Aid Program (the "Program") which provides matching funds to states and their eligible subdivisions, to promote historic preservation objectives, including surveys, registration of eligible structures, training, and education; and

WHEREAS, the Department of Parks and Recreation for the State of California is responsible for the administration of the Program within California, and for setting up rules and procedures that govern the applications of the Program; and

WHEREAS, procedures utilized by the Department of Parks and Recreation require applicants to certify by resolution that the applicant formally approves submission of the application, and that forty percent (40%) local matching funds or in-kind services will be pledged to the activity(s) that are the subject of the application; and

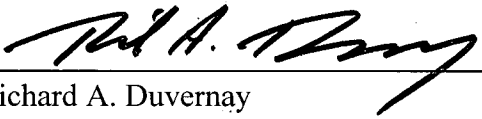

WHEREAS, the City of San Diego, as a Certified Local Government, is an eligible subdivision of the State of California; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, as follows:

1. That the City Manager, or designee, is hereby authorized to file an application and execute all necessary documents in connection therewith, for the National Historic Preservation Grants-in-Aid Program, for the following project to be administered on behalf of the City by the Community and Economic Development Department: This would be a \$25,000 project, in which 60% (\$15,000) would come from the Office of Historic Preservation for dedicated personnel to complete date research, entry and quality control for the City's designated historic sites, Geographic Information Systems (GIS) layer and ARCVIEW application. This task will facilitate historic preservation goals, while aiding public awareness, cultural tourism and future development. The City's 40% matching requirement (\$10,000) is proposed to be the form of equivalent in-kind services of existing personnel for supervision and support.

2. The City Manager or his duly authorized representative is further authorized to accept and expend funds if the grant is awarded in accordance with the terms and conditions set forth in the approved grant.
