

RESOLUTION NUMBER R- 289301

ADOPTED ON OCT 21 1997

WHEREAS, The Army Corps of Engineers in planning to construct a new U.S. Border Patrol Station ("Station") complex at Brown Field in The City of San Diego; and

WHEREAS, the Station is situated within the boundaries of the water service area of The City of San Diego; however, the City does not currently have water facilities in this area which could provide water service to the Station; and

WHEREAS, until such time as the City has adequate facilities to provide water service to the Station, the Army Corps of Engineers, representing the Border Patrol, has requested that the City release the Border Patrol as a customer so the Otay Water District ("District"), which does have existing facilities adjacent to the proposed site, and could provide service to the new Station; and

WHEREAS, water facilities to serve this project shall be constructed by the Army Corps of Engineers to meet or exceed City Standards; and

WHEREAS, the water facilities will then be turned over to the District to maintain and will remain the District's operation and maintenance responsibility while the Station is the District's water customer; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the City Manager be and is hereby authorized to enter into a water service agreement, a copy of which is on file in the office of the City Clerk as Document No. RR- 289301, with Otay Water District

for water service to the Border Patrol Station at Brown Field.
