Subject: 1998 Salary Setting Commission's Recommendation

Honorable Mayor and City Council Members:

The Salary Setting Commission is pleased to present their salary recommendations for the Mayor and City Council Members for Fiscal Years 1999 and 2000. This report constitutes the Commission's official recommendations to be incorporated into the Fiscal Years 1998-99 and 1999-2000 Salary Ordinances pursuant to the requirements of Sections 12.1, 24.1, and 41.1 of the City Charter.

THE COMMISSION'S PROCESS

The Commission met on four occasions to review comprehensive data gathered primarily by the staff in the City of San Diego's Personnel Department.

The Commission wrote to hundreds of community and civic organizations, civic leaders, past and present City Council Members, as well as the electronic and print media informing them of our charge. Two public meetings were held downtown at the Civic Center Plaza Building, where the public was invited to express their views on this matter. Written correspondence was also encouraged, and evaluated together with the public testimony received.

In its deliberations to develop salary recommendations that are equitable and appropriate for the Mayor and Councilmember positions, the Commission gave consideration to a variety of factors, including, but not limited to those listed below:

- Adequacy of income, including cost of living in San Diego
- Comparable data, including Consumer Price Index and rate of inflation
- Historical data on salary for Mayor and Councilmembers
- Responsibilities of the positions

A list of subject areas within each of these factors is attached.

In conclusion, the Commission's recommendation attempts to achieve a fair compensation level based on these considerations. In the final review process, each Commissioner evaluated a combination of the critical data to come to consensus on a salary recommendation.

RECOMMENDATION:

In regard to salary for the Mayor and Council positions, the Commission approved the following:

<u>EFFECTIVE DATE</u>	<u>MAYOR</u>	<u>CITY COUNCIL</u>
Current	\$71,992	\$54,021
7-1-98 (Approximate 2.0% increase)	\$73,432	\$55,101
7-1-99 (Approximate 2.5% increase)	\$75,268	\$56,479

The Commission's recommendation further stipulates that in the event the Mayor and Council do not accept the 2.0% increase beginning July 1, 1998, it may be deferred to Fiscal Year 2000. In which case the recommended salaries for the Mayor and Council would be no more than \$75,268 and \$56,479, respectively, effective July 1, 1999.

The Commission would be pleased to respond to any questions the Council may have regarding the above recommendation.

Respectfully submitted,

Bill Roberts, President
