

RESOLUTION NUMBER R- 289761

ADOPTED ON FEB 23 1998

WHEREAS, Kearny High School Industrial Magnet began the Electric Vehicle (EV) Club with the support of their Partners in Education, General Atomics as a special after school program for its students in spring of 1994; and

WHEREAS, Kearny High School Electric Vehicle Club has been highly successful even though it depends entirely on volunteers and minimal community donations while competing against schools with huge budgets and dedicated (EV) classes; and

WHEREAS, the Electric Vehicle Club (EV) has accumulated over 9 national awards and a National Championship win in 1997; and

WHEREAS, students and parents alike have learned that this program teaches more than auto mechanics-- it teaches commitment and dedication; and

WHEREAS, without the help and enthusiasm of Ben Hazel, the (EV) instructor, who serves as a very positive role model for the students, the program would not be so successful;

NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that this Council, for and on behalf of the people of San Diego, hereby commends the **KEARNY HIGH ELECTRIC**

VEHICLE CLUB for its outstanding contributions toward making San Diego a better place to work, live and learn.

APPROVED: CASEY GWINN, City Attorney
