RESOLUTION NUMBER R- 289937

WHEREAS, the abutting property owner has requested the vacation of a portion of Shady Oak Road and the abandonment of a slope easement abutting Shady Oak Road in order to facilitate the development of the property; and

WHEREAS, the provisions of Council Policy No. 600-15 require that a noticed public hearing be conducted before the City Council prior to the vacations of City streets and easements; and

WHEREAS, Section 66499.20-1/2 of the California Government Code provides that the filing of the map shall constitute abandonment of all streets and easements not shown on the map; and

WHEREAS, the public will benefit from the vacations through improved utilization of the land; and

WHEREAS, those properties adjoining the street to be vacated will continue to have access; and

WHEREAS, there is no present or prospective use for the street or easement, either for the public street system, for which the right-of-way was acquired, or for any other public use of like nature; and

WHEREAS, the public system for which the right-of-way was originally acquired will not be detrimentally affected by the street vacation; NOW, THEREFORE,
