If you have already submitted your grant package, you should be receiving an approved copy from the Department of Justice within the next two weeks. You do not need to resubmit your package. You will be notified if anything is missing from your grant package.

The amount of the grant is indicated on the grant award forms you have already received in the mail. To complete the approval of your 1998/99 grant application, you will need to provide a resolution from the Board of Supervisors or City Council for the new grant year indicating: 1) a commitment to provide the required 20 percent match, 2) that grant funds will not be used to supplant city or county expenditures which would otherwise be provided for prosecution of spousal abuse, and 3) that the Department of Justice will not be responsible for
