ORDINANCE NUMBER O- 18698 (NEW SERIES)

ADOPTED ON OCT 18 1999

AN ORDINANCE EXECUTING LONG TERM WASTE DELIVERY AGREEMENTS WITH EDCO DISPOSAL CORPORATION AND WASTE MANAGEMENT TO ENSURE STABLE DISPOSAL TONNAGES AND REVENUES AT MIRMAR LANDFILL.

WHEREAS, waste management in San Diego has changed dramatically in the past five years and a more flexible business type approach is needed to maintain desired quantities of waste disposal in Miramar Landfill to meet the City's revenue needs while maintaining sufficient capacity for its disposal requirements; and

WHEREAS, long-term waste delivery agreements with two of the City's largest franchised haulers, who could divert significant quantities of old waste away from Miramar Landfill, would stabilize the City's waste disposal system and protect it against fluctuations in tonnages and revenue, as more particularly described in City Manager Report No. 99-184;

NOW, THEREFORE,

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That the City Manager be and he is hereby authorized and empowered to execute, for and on behalf of said City, an agreement with EDCO Disposal Corporation, for long-term disposal, under the terms and conditions set forth in the Agreement on file in the office of the City Clerk as Document No. 00-18698-1, together with any reasonably necessary modifications or amendments thereto which do not increase project scope or cost and which the City Manager shall deem necessary from time to time in order to carry out the

purposes and intent of this project and agreement.

Section 3. That the City Manager be and he is hereby authorized and empowered to execute, for and on behalf of said City, an agreement with Waste Management, for long-term disposal, under the terms and conditions set forth in the Agreement on file in the office of the City Clerk as Document No. 00-18698-2, together with any reasonably necessary modifications or amendments thereto which do not increase project scope or cost and which the City Manager shall deem necessary from time to time in order to carry out the purposes and intent of this project and agreement.

Section 3. That a full reading of this ordinance is dispensed with prior to its final passage, a written or printed copy having been available to the City Council and the public a day prior to its final passage.

Section 4. This ordinance shall take effect and be in force on the thirtieth day from and after its passage.
