

RESOLUTION NUMBER R- 292110

ADOPTED ON SEP 14 1999

WHEREAS, Science Applications International Corporation [SAIC] was formed as a scientific governmental consulting firm in San Diego by Dr. J. Richard Beyster and a small group of scientists on February 3, 1969; and

WHEREAS, since its inception, SAIC has expanded into other areas such as information technology, high-technology products, telecommunications, national security products, health care systems, and environmental-related businesses; and

WHEREAS, over the years, SAIC has provided technical expertise to clean up efforts at Three Mile Island and Prince William Sound, to the success of Operation Desert Storm, and to space missions ranging from Voyager to the Hubble Space Telescope; and

WHEREAS, SAIC, a Fortune 500 company, employs 4,500 people in San Diego County with a local payroll in excess of \$250 million, and SAIC subsidiaries have more than 38,000 employees with offices in over 150 cities worldwide; and

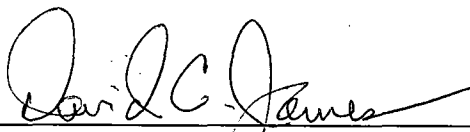

WHEREAS, SAIC is the third largest employee-owned company in the world, and the largest employee-owned research and engineering firm in the world; and

WHEREAS, the corporate leadership displayed by SAIC includes both support and millions of dollars donated to countless causes such as Habitat for Humanity, United Way, YMCA, American Cancer Society, Children's Hospital, Center for Children Foundation, San Diego County Animal Shelter, San Diego Crime Commission, University of California at San Diego, the Birch Aquarium, and countless others; and

WHEREAS, 1999 represents the 30th year of record revenue and earnings growth, solidifying SAIC's position as one of the most successful employee-owned companies in the United States, with \$4.7 billion in revenue generated this year alone; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that this Council for and on behalf of the people of San Diego, does hereby recognize SAIC in appreciation for thirty years of outstanding corporate leadership in San Diego and hereby proclaims September 14, 1999, as **"Science Applications International Corporation Day"** in The City of San Diego.
