

**RESOLUTION No. R-292586**

Docket of December 7, 1999

BE IT RESOLVED, by the Council of The City of San Diego as follows:

Resolution Number R-292586 was inadvertently assigned to Item 333, Subitem A of the Council Docket of Tuesday, December 7, 1999. This resolution (Resolution to levy and collect assessments) was scheduled to be on the docket of October 18, 1999, Item 204, but was inadvertently left off. City Attorney Kelly Salt determined on January 12, 2000, that there was sufficient language in Item 204, Subitem A, (Attorney Resolution No. R-2000-296 forming the district) of the October 18, 1999 docket, to cover City Attorney Resolution No. R-2000-298 (Resolution of Intention). She further instructed the City Clerk's Office to assign Resolution No. R-292318-2, to the Resolution of intention to levy and collect FY2001 annual assessments.
