## RESOLUTION NUMBER R- 293816 ADOPTED ON SEP 1 2 2000

WHEREAS, Articles 1 and 2 of Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California authorize the City and CWA to create a joint exercise of powers entity (herein called the "San Diego Centre for Organization Effectiveness" or "CENTRE"), which has the power to jointly exercise any powers common to the City and CWA; and

WHEREAS, the City and CWA are each empowered by law to provide a wide range of services to the public within their respective jurisdictions, and to undertake projects and programs designed to provide those public services in the most cost efficient and effective manner achievable; and

WHEREAS, the City currently has within its organizational structure a department, THE CENTRE for Organization Effectiveness, whose purpose is to develop, market, distribute, and publish organization development, management development, training, and other products and services for the San Diego region; and

WHEREAS, THE CENTRE as a City department has become a nationally recognized resource to improve the management of organizations in the San Diego region as well as other parts of the country; and

WHEREAS, the City and CWA agree it will be more efficient to reconstitute THE CENTRE as a separate entity available to advise both the City and CWA, and other entities that may interact with the City and CWA, on ways to maximize the cost-effectiveness of their

respective organizations; and

WHEREAS, the City and CWA agree that a joint powers authority is the most efficient and effective type of entity to provide the coordinated organizational effectiveness advice and services desired by both the City and CWA; NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, that the Council approves creating a new joint powers entity, known as San Diego Centre for Organization Effectiveness ("THE CENTRE"), to assume and expand upon the power of the above-named City department and fulfill the objectives of this resolution.
