WHEREAS, on October 6, 1998, the City Council adopted Resolution No. R-290821, which authorizes the City Manager to purchase the necessary General Admission tickets to bring the number of General Admission tickets sold for each Charger's home game to 60,000, when, and at such time that, the City Manager determines that such purchase is in the best interests of the City, subject only to the certification of available funds by the City Auditor and Comptroller, and further subject to the distribution and use of the purchased tickets for a specific purpose; and

WHEREAS, the intent of Resolution No. R-290821 was to vest in the City Manager the discretion to determine whether to undertake the ticket purchase, and when and under what circumstances the purchase was to be made; and

WHEREAS, the discussion of the matter before the City Council on the day Resolution No. R-290821 was adopted has led to some uncertainty as to the measure of discretion vested in the City Manager to undertake the ticket purchase, and determine the appropriate timing and circumstances of the purchase; and

WHEREAS, the City Council desires to clarify the effect of Resolution No. R-290821;
NOW, THEREFORE,

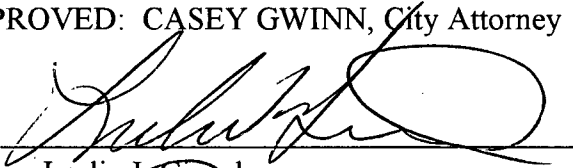

BE IT RESOLVED, by the Council of the City of San Diego, that the City Council hereby declares that Resolution No. R-290821 intended to vest in the City Manager complete discretion to determine whether to undertake the ticket purchase authorized by that resolution, and the timing and circumstance of such ticket purchase, subject only to the conditions set forth

therein and described above.

BE IT FURTHER RESOLVED, that the City Council reaffirms the authority and discretion vested in the City Manager by Resolution No. R-290821.
