

RESOLUTION NUMBER R- 294302

NOV 27 2000

ADOPTED ON _____

WHEREAS, in July 1997, the City Council authorized the City Manager to execute the Multiple Species Conservation Program (MSCP) Implementing Agreement with the U. S Fish and Wildlife Service and The California Department of Fish and Game; and

WHEREAS, Section 11.2.C of the MSCP Implementing Agreement requires the City, in cooperation with other participating local jurisdictions, to establish a long-term regional funding source within three years (July 2000) of the effective date of the City's Implementing Agreement; and

WHEREAS, Subsection C.3 Section 11 of the MSCP Implementing Agreement recognizes that achieving this goal may be compromised if other jurisdictions fail to obtain approval of a Subarea Plan; and

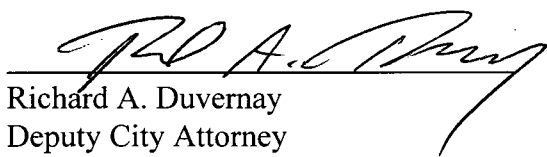

WHEREAS, to date only three of the 12 jurisdictions in the MSCP planning area has approved Subarea Plans (San Diego, Poway and the County of San Diego); and

WHEREAS, the Implementing Agreement also requires that if a regional funding source has not been established by July 2000, “. . . the City shall establish and implement a funding source adequate to meet its share of MSCP and Subarea Plan implementation costs while continuing to pursue, with other Participating Local Jurisdiction, establishment of a regional funding source;” NOW, THEREFORE,

BE IT RESOLVED, by the Council of The City of San Diego, hereby adopts, for and on behalf of said City, a three year funding policy statement for the Multiple Species Conservation

Program (MSCP), specifically set forth in City Manager Report No. 00-260, on file in the Office of the City Clerk as Document RR- 294302 as required by Section 11.2C.3 of the City's MSCP Implementing Agreement for the purpose of establishing and implementing a funding source adequate to meet the City's share of MSCP and Subarea Plan implementation costs.
