

RESOLUTION NUMBER R- 294365

ADOPTED ON DEC 11 2000

WHEREAS, in 1996 the City Council directed the redesign of the City's Emergency Medical Services [EMS] system, resulting in a design configured to provide optimal EMS response to citizens while establishing fiscal viability to ensure continued service; and

WHEREAS, the City subsequently awarded the contract for EMS to San Diego Medical Services Enterprise, LLC [SDMSE], a California limited liability company comprised of the City of San Diego and Rural/Metro of San Diego, Inc., and entered into four Agreements [Agreements] with Rural/Metro and SDMSE to implement the award; and

WHEREAS, at the October 4, 2000, Public Safety & Neighborhood Services Committee meeting of the City Council, it was recommended that the consumer price index [CPI] to which transport charges is tied be changed, to more accurately reflect the increase in the cost of patient transport; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Manager be and he is hereby authorized and directed to enter into the necessary amendments to the existing

Agreements, to: (1) adjust the CPI to the National All Urban Consumers (CPI-U) weighted

Medical Care/Transportation.

APPROVED: CASEY GWINN, City Attorney
