

RESOLUTION NUMBER R- 294516

ADOPTED ON FEB 5 2001

BE IT RESOLVED, by the Council of The City of San Diego, that the recommendations of the East Village Redevelopment Homeless Advisory Committee are hereby adopted with the following changes, and staff is directed to:

1. Work with the Housing Commission and CCDC to review funding for homeless shelters and low-income housing in the City, and with the Mayor and Council Districts on allocation of CDGB funding;
2. Continue to work on the legal and funding issues associated with implementing a self-cleaning toilet program in the downtown area;
3. Analyze the availability of funding to extend the seasonal shelter program to May 30 and explore alternative locations, and report back in early 2001;
4. Work with the Police Department to locate suitable space to re-open the HOT Team downtown office;
5. Work with the Police Department, City Attorney's Office, Sheriff, County Health and Human Services and the Courts to explore the feasibility of expanding the current Police Western Division Serial Inebriate Program to the downtown area; continue to work with Volunteers of America and other drug and alcohol treatment providers, and the County Health and Human Services Agency to explore the costs and funding options for expanding drug and alcohol detox and

treatment beds; work with the City Attorney's Office, the Police Department and VOA on the feasibility and legal issues of expanding involuntary hours at the Inebriate Reception Center from four to just under 24 hours.

6. Work with the City Attorney's Office, Police Department and courts to determine the feasibility of implementing a community court in the downtown area;

7. Work with the Homeless Services Coordinator to better publicize that office's functions, and to increase the Coordinator's role as a clearinghouse for homeless issues;

8. Continue to work closely with San Diego County on collaborative projects to address homeless issues and obtain outside funding from state, federal and private sources.
