

RESOLUTION NUMBER R- 295418

ADOPTED ON SEP 10 2001

WHEREAS, San Diego Gas & Electric Company (SDG&E) has requested an easement, comprised of two small segments, for an underground easement adjacent to the San Pasqual School. The requested easement will allow for the completion of the undergrounding of a portion of a main electric transmission line servicing the Wild Animal Park. In order to have the new underground line join with the existing poles on City land on each side of the school grounds, the easement is requested. The undergrounding was necessitated by the location of the playground for the San Pasqual Middle School, currently under construction; and

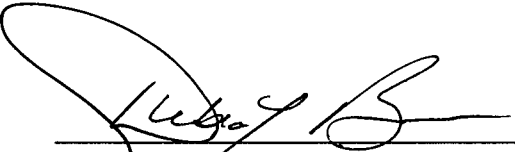

WHEREAS, one of the requested segments of the easement is 10 feet wide, 57.3 feet long and covers approximately 573 square feet; the other segment is 10 feet wide, 50 feet long and covers approximately 545 square feet; and

WHEREAS, since the easement requested will allow partial undergrounding of the transmission line servicing the Wild Animal Park, at no cost to the City, no compensation will be requested of SDG&E for the easement; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Manager or his designee, is authorized and empowered to execute, for and on behalf of the City of San Diego, an easement deed conveying to San Diego Gas & Electric Company, a corporation, an easement for the purpose of erecting, constructing, modifying, improving, reconstructing, relocating, repairing, maintaining and using underground facilities and appurtenance for the transmission and distribution of electricity, and related purposes, affecting a portion of Lot 2 and the Southeast
