RESOLUTION NUMBER R- 295450 ADOPTED ON SEP 1 0 2001

WHEREAS, the City Council has further determined that this link can be achieved by increasing the Council's understanding of the practical workings of the City departments throughout the year, rather than focusing on them primarily at the time the budget is considered; and

WHEREAS, the City Attorney has reviewed the Auditor's proposal and has determined that it may legally be implemented consistent with Charter sections 22 and 28; and

WHEREAS, the Rules Committee has determined that this proposal, incorporated by
