

RESOLUTION NUMBER R-296437

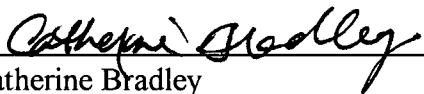

ADOPTED ON APRIL 30, 2002

WHEREAS, San Diego Municipal Code section 67.0502 provides that water rates may be established by resolution of the City Council on giving ten days notice of intention to establish, amend, or increase such charges; and

WHEREAS, such notice of intention to increase rates has been given by posting in the office of the City Clerk; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Manager is hereby authorized to increase presently effective water sales revenues by 6% per year each year beginning July 1, 2002, for a period of five years through July 1, 2006, and that this be accomplished by adjusting presently effective water base fees and commodity charges such that 50% of the additional revenue will be generated from the base fee, and the remaining 50% of additional revenue will be generated from the commodity charge.
