

RESOLUTION NUMBER R- 296942

ADOPTED ON AUG 05 2002

WHEREAS, an estimated 28,000,000 kilowatt hours of electrical energy will be available for export by the City annually from the Point Loma Wastewater Treatment Plant Gas Utilization Facility; and

WHEREAS, San Diego Gas & Electric Company has proposed acceptable terms for its purchase of said excess electricity to be provided to local consumers; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Manager is authorized and empowered to execute, for and on behalf of the City, a power purchase agreement with San Diego Gas and Electric Company, for the sale of excess electrical energy generated but not used at the City's Point Loma Wastewater Treatment Plant Gas Utilization Facility [GUF], under the terms and conditions set forth in the Qualifying Facility Interconnection and Power Purchase Agreement, issued in accordance with the California Public Utility Commission rules and regulations and on file in the office of the City Clerk as Document No. RR- 296942.

BE IT FURTHER RESOLVED, that the City Auditor and Comptroller is authorized to deposit funds received under this agreement in Revenue Account No. 77537.
