ADOPTED ON OCT 07 2002

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, the Council has reviewed said recommendations as well as the suggestions presented; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the following suggestion awards are hereby approved and the Auditor and Comptroller is hereby directed to issue warrants for the following suggestions:

NAME(S): Jimmie Gear  
DEPARTMENT: Transportation/Parking Management  
AMOUNT: \$286.74  
SUGGESTION: Mr. Gear was a Public Information Clerk at the time of submittal. His suggestion was to provide locked drop boxes for paying parking citations which are less than 30 days old. This is the second half of this award. This suggestion was adopted in October 1996 and considered an operational improvement.

NAME(S): Michael Reilly  
DEPARTMENT: Metropolitan Wastewater  
AMOUNT: \$200.00  
SUGGESTION: Mr. Reilly was a Plant Process Control Electrician at the time of submittal. His suggestion was to install two indicator lights on each panel of the screw motors at MWWD MBC to indicate which screw motor is turning.

At the present time there is no way to reset "tripped" condition without shutting off power to both screws and by doing this it also shuts off both

cake pumps. This suggestion was adopted July 1, 2002 and is considered an intangible operational improvement.

APPROVED: CASEY GWINN, City Attorney
