WHEREAS, the City Council proposes to approve a Disposition and Development Agreement [the Agreement] between the Agency and Padres L.P., a Delaware limited partnership [the Developer] and Conditional Use Permit 2002-40 for the development of a parking garage with ancillary retail uses, on certain real property in the Project area; and

WHEREAS, the sale of the real property and development of the parking garage and retail development on the real property pursuant to the provisions of the proposed Agreement between the Agency and the Developer is a redevelopment implementation activity whose environmental impacts are assessed in the MEIR/SEIR; and

WHEREAS, the Centre City Development Corporation, Inc., acting on behalf of the Agency, has prepared a Secondary Study in accordance with and pursuant to the California Environmental Quality Act of 1970 [CEQA] and State and local regulations and guidelines adopted pursuant thereto, and such Secondary Study assesses the environmental impacts of the development of the real property pursuant to the Agreement and Conditional Use Permit 2002-40; and

WHEREAS, the City Council has considered the environmental effects of the proposed development as shown in the MEIR/SEIR and the Secondary Study; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, as follows:

1. The City Council hereby certifies that the Secondary Study of the environmental impacts with respect to the proposed sale and development of the real property pursuant to the Agreement and Conditional Use Permit 2002-40 has been prepared and completed in compliance

with the California Environmental Quality Act of 1970 and State and local regulations and guidelines adopted pursuant thereto and that the Agency has certified thereto.

2. The City Council hereby further certifies that the MEIR/SEIR for the Centre City Redevelopment Project, and the Secondary Study were presented to the members of the City Council, and that the information contained in the Secondary Study and the MEIR/SEIR has been reviewed and considered by the City Council members.

3. The City Council hereby further certifies that the Secondary Study (as with the MEIR/SEIR for the Redevelopment Project) represents the City Council's independent judgment and analysis.

4. The City Council hereby finds and determines that:

a. No substantial changes are proposed in the Centre City Redevelopment Project, or with respect to the circumstances under which the Project is to be undertaken, as a result of the sale and development of the real property pursuant to the Agreement, which will require major revisions in the MEIR/SEIR for the Project, due to the involvement of new significant environmental effects, or a substantial increase in the severity of previously identified significant effects, not covered in the MEIR/SEIR; and

b. No new information of substantial importance to the Project has become available which was not known or could not have been known with the exercise of reasonable diligence at the time the MEIR/SEIR for the Project was certified as complete, and which shows that the Project will have any significant effects not discussed previously in the MEIR/SEIR, or that any significant effects previously examined will be substantially more severe than shown in the MEIR/SEIR, or that any mitigation measures

or alternatives previously found not to be feasible or not previously considered would substantially reduce or lessen any significant effects of the Project on the environment; and

c. No negative declaration, or subsequent environmental impact report, or supplement or addendum to the MEIR/SEIR is necessary or required; and

d. The sale and development of the real property pursuant to the Agreement and Conditional Use Permit 2002-40 will have no significant effect on the environment, except as identified and considered in the MEIR/SEIR for the Project.

5. The activity specific Mitigation Monitoring and Reporting Program with respect to the development under the proposed Agreement, Attachment A to the Secondary Study, is hereby approved and adopted.
