RESOLUTION NUMBER R- 297453

ADOPTED ON DEC 09 2002

RESOLUTION OF THE CITY OF SAN DIEGO AUTHORIZING
A RENEWABLE ENERGY PURCHASE AGREEMENT WITH
SAN DIEGO GAS & ELECTRIC COMPANY

WHEREAS, the California Public Utilities Commission in Decision D.02-09-072 has ordered utilities to increase their portfolios of renewable energy; and

WHEREAS, San Diego Gas & Electric Company solicited bids for renewable fueled energy in October 2002 pursuant to said order; and

WHEREAS, the City has submitted a bid for this contract from its Point Loma Wastewater Treatment Plant generating facility which provides for a beneficial sales price and which meets the requirements of SDG&E; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Manager is authorized and empowered to execute, for and on behalf of the City, a five-year agreement with San Diego Gas & Electric Company, for SDG&E's purchase of the excess renewable electrical energy generated by the City's Gas Utilization Facility at the Point Loma Wastewater Treatment Plant but not used at the Plant, under the terms and conditions set forth in the Master Power Purchase and Sale Agreement Confirmation Letter, on file in the office of the City Clerk as Document Number RR- 297453 and issued in accordance with the rules and regulations of the California Public Utilities Commission.

BE IT FURTHER RESOLVED, that the City Auditor and Comptroller is authorized to deposit funds received under the above agreement in the estimated total amount of \$5,491,225 into Sewer Revenue Fund No. 41508.
