

RESOLUTION NUMBER R- 297868

ADOPTED ON APR 21 2003

WHEREAS, the Suggestion Awards Committee has heretofore made certain recommendations to this Council; and

WHEREAS, the Council has reviewed the recommendations as well as the suggestions presented; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the following suggestion award is approved and the Auditor and Comptroller is directed to issue a warrant for the following suggestion:

NAME(S): Bruce E. Hoover
DEPARTMENT: MWWD
AMOUNT: \$236.40
SUGGESTION: Mr. Hoover was an Instrumentation and Control Technician at the time of submittal. His suggestion was to design and build a gauge filling device using both vacuum and pressure to fill gauges, switches, tubing and small pipe lines instead of sending outside to private industry. This suggestion was adopted January 2002 and is considered an operational improvement. The actual first year savings were \$2,213 instead of \$1,326 and this amount represents the second half of the award.

APPROVED: CASEY GWINN, City Attorney
