ADOPTED ON AUG 04 2003

WHEREAS, the City of San Diego receives federal assistance to provide Internet access to patrons in the City public libraries; and

WHEREAS, the federal assistance is subject to the Children's Internet Protection Act [CIPA] which requires the recipient libraries to install software to block images that constitute obscenity or child pornography, and to prevent minors from obtaining access to material that is harmful to them; and

WHEREAS, CIPA allows adult patrons to request that the filtering software be disabled to enable access for bona fide research or other lawful purposes; and

WHEREAS, in order to comply with CIPA, the filtering software must be installed on all public Internet terminals in the library; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Manager is directed to have filtering software installed on all public Internet terminals in all City of San Diego Library facilities.

BE IT FURTHER RESOLVED, that the City Manager, or his designee, is authorized to designate administrators, supervisors, or others, including the City of San Diego Public Library staff, to disable filtered Internet terminals for adult patrons (17 and older) upon request.
