

RESOLUTION NUMBER R-298444

ADOPTED ON SEP 29 2003

WHEREAS, streamlining the community input process for park development projects, as outlined in City Manager Report 03-138, endeavors to reach a balance between the need to keep the community involved and to meet each of the objectives outlined by the Budget Work Group, the City Manager, and the Park and Recreation Department Director; and

WHEREAS, endorsement of the proposed administrative changes and adoption of the new Council Policy will improve project efficiency, reduce administration costs and project time lines, and improve consistency and predictability for park development projects; NOW,

THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the City Manager's recommendations to: (1) endorse the proposed administrative changes structuring the community input process for park development projects as outlined in City Manager Report 03-138; and (2) approve the proposed Council Policy standardizing the community notification and input processes for park development projects, are approved.
