RESOLUTION NUMBER R- 298541

ADOPTED ON NOV 03 2003

WHEREAS, in January 2001, the slope adjacent to the Paradise Hill Recreation Center began to fail as a result of an undetected leak on the City's Otay 2nd Pipeline; and

WHEREAS, Water Department crews have repaired the pipeline and have been securing and maintaining the slope until efforts can be completed to reconstruct the slope; and

WHEREAS, reconstruction of the failed slope is necessary to protect the pipeline and to protect an abandoned landfill which lies at the bottom of the slope; and

WHEREAS, two contracts will be awarded through the Minor Contracting Program to reconstruct the slope and to provide landscape installation and maintenance; NOW

THEREFORE,

BE IT RESOLVED as follows:

1. The City Manager is authorized to execute two contracts through the Minor Contracting Program for constructing/restoring the slope along the Otay 2nd Pipeline at Paradise Hills Recreation Center for a total expenditure not to exceed \$121,476 from Water Fund 41500, provided that the City Auditor and Comptroller first furnishes a certificate certifying that funds are, or will be, on deposit with the City Treasury ;

2. The Manager is authorized to expend an amount not exceeding \$11,200 from Water Fund 41500 for the use of City force work to support the above-referenced project, provided that the City Auditor and Comptroller first furnishes a certificate certifying that funds are, or will be, on deposit with the City Treasury.
