

RESOLUTION NUMBER R- 299616

ADOPTED ON SEP 13 2004

WHEREAS, Dr. Clive Granger joined the faculty of the University of California, San Diego (UCSD) in 1974, and has published widely in areas of statistics and econometrics, forecasting finance, and demographics; and

WHEREAS, Dr. Granger has spent the majority of his academic career at UCSD, where he helped build the Department of Economics into one of the top econometric departments internationally; and

WHEREAS, Dr. Granger developed the "Granger Test" for causality, a method for identifying "what causes what" when two series move together; and

WHEREAS, over his productive career Professor Granger has received numerous awards and honors, including distinguished fellow from the American Economic Association in 2002 and corresponding fellow by the British Academy, has authored ten books on economics, and has had over 200 papers selected, published, or submitted; and

WHEREAS, Dr. Granger's contributions have been of great importance for the field of applied economics; and

WHEREAS, Dr. Granger's works have been internationally published in prestigious journals such as the Oxford University Press and the Princeton University Press; and

WHEREAS, his work in econometrics and statistical modeling, he was a co-recipient of the Nobel Prize in Economics in 2003; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that this Council, for and on behalf of the citizens of San Diego, does hereby declare September 13, 2004, to be "DR. CLIVE GRANGER DAY" in the City of San Diego.

APPROVED: CASEY GWINN, City Attorney
