

ORDINANCE NUMBER O-19386

ADOPTED ON JUNE 6, 2005

AN ORDINANCE AMENDING CHAPTER 2, ARTICLE 2 OF THE SAN DIEGO MUNICIPAL CODE BY ADDING DIVISION 42, RELATING TO WAGES AND HEALTH BENEFITS FOR CERTAIN CATEGORIES OF PERSONS EMPLOYED BY BUSINESSES THAT CONTRACT WITH THE CITY, RECEIVE FINANCIAL ASSISTANCE FROM THE CITY, OR WORK AT CERTAIN SPORTS, ENTERTAINMENT, OR CONVENTION FACILITIES IN THE CITY OF SAN DIEGO.

WHEREAS, it is important to the health and welfare of all citizens of the City of San Diego that working people receive wages and health benefits sufficient to lift families out of poverty and cover basic health care costs; and

WHEREAS, the City awards taxpayer-funded contracts to businesses to provide services to the public and to City government; and

WHEREAS, the City leases land to, maintains an ownership interest in, or operates certain large sports, convention, or entertainment facilities, and operating at such facilities affords businesses significant financial benefits; and

WHEREAS, the City provides taxpayer-fimded financial assistance to businesses that pledge to create jobs and expand economic opportunity in the City of San Diego; and

WHEREAS, many service employees in the City of San Diego and their families live at or below the poverty line; and

WHEREAS, the payment of inadequate compensation to service employees negatively affects the quality of services provided to the City and to the public by fostering high turnover and instability in the workplace; and

WHEREAS, ensuring that businesses benefiting from taxpayer funds or using City facilities promote the creation of jobs that pay a living wage will increase the ability of San Diego residents to attain self-sufficiency, will decrease economic hardship in the City, and will reduce the need for the taxpayers to find social services in order to provide supplemental support for the employees of these local businesses; and

WHEREAS, many businesses benefiting from City funds or use of City facilities do not provide health insurance to their employees, a situation that adversely affects employee performance and absenteeism and increases the burden on the taxpayers of caring for the uninsured through local and state health programs; and

WHEREAS, a City policy to promote the creation of living wage jobs complements other City programs aimed at meeting the employment and economic development needs of the City of San Diego and its workforce; and

WHEREAS, the purpose of this policy is to ensure that businesses benefiting from taxpayer funds, or using certain facilities leased, owned, or operated by the City, provide their service employees both a living wage and either health benefits or a payment towards the cost of health insurance to their employees, thus enhancing the health and welfare of workers of the City of San Diego and their families; NOW, THEREFORE:

BE IT ORDAINED, by the Council of The City of San Diego, as follows:

Section 1. That chapter 2, article 2 of the San Diego Municipal Code is amended by adding a new division 42, titled "City of San Diego Living Wage Ordinance," and by adding sections 22.4201 through 22.4245, to read as follows:

## DIVISION 42

### City of San Diego Living Wage Ordinance

#### §22.4201 Purpose and Intent

The *City* awards many taxpayer-funded agreements to private *businesses* that provide *services* to the public and to the *City* or that are intended to promote economic development, job creation, and retention. The *City* also owns, operates, manages, or leases sports, entertainment, or convention facilities and contracts with *businesses* to use these facilities or provide services at these locations to the public. It is the experience of the *City* that many of these services to the public and to the *City* are provided by workers who live at or below the poverty line. This division provides that when agreements, including *service contracts*, *financial assistance agreements*, and *City facilities agreements* are extended by the *City* to private *businesses* these taxpayer funded benefits are used in a way that advances the interests of the *City* as a whole, by creating jobs that keep workers and their families out of poverty. This division therefore requires *covered employers* and their subcontractors to pay their employees a wage that will enable a full-time worker to meet basic needs and avoid economic hardship. Paying service employees a living wage is intended to improve the quality of services provided to the *City* and to the public by reducing high turnover, absenteeism, and instability in the workplace. This division also promotes the *City's* policies and programs that seek to meet the employment and economic development needs of the *City* and its workforce. Private businesses that do not fall into any of the above described categories are not required to comply with this division.
