ADOPTED ON JUN 21 2005

WHEREAS, the Planning Commission approved Resolution No. R-3287-PC on July 25, 2002, a certified Environmental Impact Report LDR No. 42-0120, a copy of which is on file in the Development Services Department; and

WHEREAS, in connection with the consideration of Old Mission Dam, the City Council considered the issues discussed in Environmental Impact Report LDR No. 42-0120; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, stating for the record that Old Mission Dam is a subsequent discretionary approval of the Project addressed in Environmental Impact Report and therefore not a separate project under CEQA Guideline sections 15060(c)(3) and 15378(c).

BE IT FURTHER RESOLVED, by the Council of the City of San Diego, stating for the record that the information contained in the final Environmental Impact Report, including any comments received during the public review process, has been previously reviewed and considered by the Planning Commission and it is determined that this subsequent discretionary

approval of Old Mission Dam does not involve change in circumstances, project changes, or new information of substantial importance which would warrant any additional environmental review.
