

RESOLUTION NUMBER R- 300572

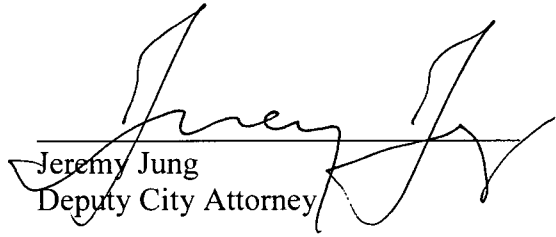

ADOPTED ON JUN 21 2005

WHEREAS, San Diego City Council Policy No. 600-08 requires annual approval of the Underground Utility Project allocation and adoption of a Master Plan; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that the Council hereby adopts a revised Master Plan for undergrounding of overhead utilities as set forth in Attachment 3, and approves an allocation of underground conversion projects totaling \$44.4 million for Fiscal Year 2006 as set forth in Attachment 4, as stated in the City Manager's Report, filed in the Office of the City Clerk as Document No. RR-300572.

APPROVED: MICHAEL AGUIRRE, City Attorney
