

RESOLUTION NUMBER R- 300621

ADOPTED ON JUN 28 2005

WHEREAS, the City Council by Resolution No. R-300384, adopted on May 3, 2005, certified Mitigated Negative Declaration Project No. 40960, a copy of which is on file in the Development Services Department; and

WHEREAS, in connection with the consideration of the planned development permit, neighborhood use permit, conditional use permit, site development permit and easement vacation for City Heights Square, the City Council considered the issues discussed in Mitigated Negative Declaration Project No. 40960; NOW, THEREFORE,>

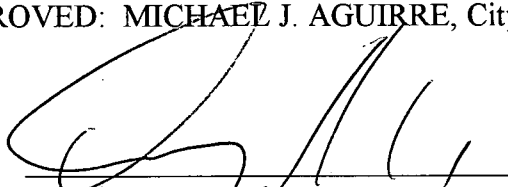

BE IT RESOLVED, by the Council of the City of San Diego, stating for the record that approval of the planned development permit, neighborhood use permit, conditional use permit, site development permit and easement vacation for City Heights Square is a subsequent discretionary approval of the Project addressed in the Mitigated Negative Declaration and therefore not a separate project under CEQA Guideline sections 15060(c)(3) and 15378(c).

BE IT FURTHER RESOLVED, by the Council of the City of San Diego, stating for the record that the information contained in the final Mitigated Negative Declaration, including any comments received during the public review process, has been previously reviewed and considered by this Council and it is determined that this subsequent discretionary approval of the planned development permit, neighborhood use permit, conditional use permit, site development permit and easement vacation for City Heights Square does not involve change in circumstances,

project changes, or new information of substantial importance which would warrant any additional environmental review.
