

RESOLUTION NUMBER R- 300829

ADOPTED ON SEP 19 2005

WHEREAS, the City of San Diego is committed to using alternative and environmentally sound methods to produce energy for its residents; and

WHEREAS, energy from the sun is clean, unlimited, reliable, and, best of all, free and San Diego is one of the best places in the United States for solar energy; and

WHEREAS, the City of San Diego installed its first solar electric system in 1999; and

WHEREAS, the City of San Diego currently has three megawatts of solar energy; and

WHEREAS, the City of San Diego has established a goal of installing fifty megawatts of renewable energy within the City limits by 2013; and

WHEREAS, the City of San Diego is continually striving to increase the quality of life for its residents by using solar energy, reducing emissions, and increasing air quality; NOW, THEREFORE,

BE IT RESOLVED, by the Council of the City of San Diego, that this Council for and on behalf of the people of San Diego, does hereby proclaim September 25 - October 1, 2005, to be **“SOLAR ENERGY WEEK”** in the City of San Diego, and does hereby urge all citizens to celebrate Solar Energy Week and support efforts to protect our environment.
